○ *How Facebook and Instagram have Changed Tourism Marketing?*

✓ Travel research

2. Browsing the Internet for travel tips : Social/artistic sharing platforms, such as Instagram or crowd-sourced reviewing platforms, such as Trip Advisor, offer them access to other travelers' photos, check-ins, ratings etc. This information isn't only easily obtained, it is also real feedback from a person with similar travel options.

✓ Customer service:

Social Media = intermediate between customers and entrepreneurs. Social Platforms such as Facebook and Instagram can be a self improvement as well as a marketing tool. Listening to customers voices through Social Media critiques, feedback etc, can help Brands create a useful experience and the most powerful marketing of all: *positive feedback*.

* **A** recommendation or a review on Social Media represents the “Word of Mouth Marketing

✓ Booking :

Social Media and the Digital Age reshaped the whole traveling industry model. The ease of self-service booking in major sectors of the tourism industry, such as Tourist accommodation, Transport and Catering is forcing most businesses to shift towards a more “digital” nature. While the old-fashioned booking is not yet obsolete many hotels and traveling agencies have shifted their target from in-person to digital experiences, as they are adapting to new Digital Market trends

○ More powerful than Google?

✓ Social Media are really effective in the tourism industry, mainly because people tend to buy from brands they trust. People trust Social Media Brands such as Facebook and Instagram, as they are mainly connected with people's leisure time

FACEBOOK / INSTAGRAM MARKETING AND TOURISM

More powerful than Google?

- ✓ **Google search:**
extremely useful for research purposes. The customer is absolutely aware of the purpose of his online journey and will try to find the best choice among many Google Advertisements
- ✓ **Customized Advertisement:**
displayed to the user when browsing on Social Media simply “catches the Customer off Guard” or may trigger a spontaneous reaction

FACEBOOK / INSTAGRAM MARKETING AND TOURISM

Social Media have changed the very nature of marketing, especially in the Tourism industry:

- ✓ Most travelers determine their traveling plans based on businesses' online presence, reviews and Social Media shares.
- ✓ Online customer service is playing a crucial part in building a positive Brand reputation. The rising importance of Social Media has disrupted traditional tourism marketing models for hotels, restaurants and travel agencies etc.
- ✓ With the use of tailor-made advertising on Social Media, above companies can approach a wide audience eager to discover all they have to offer
